Request to Withdraw Final Rejection
As Being Premature

Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

For the reasons below, it is respectfully submitted that the Final Rejection in the Office Action of 11/02/2007 is premature and improper, and reconsideration and withdrawal of the finality of the rejection is respectfully requested.

In particular, the Final Rejection fails to comply with the requirements of M.P.E.P. §§ 706.07 – 706.07(a) because it introduces new grounds of rejections of Claims 34-35 that were not necessitated by applicant's amendment of the claims.
